The ADF Gap Year program provides an opportunity for young Australians, who have finished Year 12 (or equivalent) and are aged between 17 and 24*, to experience military training and lifestyle whilst gaining new skills and pay over their Gap Year. 1. Continue service in the Regular Army or Air Force with ongoing job opportunities,
2. Transfer to the Army or Air Force Reserves where they can
3. Choose to leave the Army or Air Force and pursue an alternate career path.

Members participating in the Gap Year program will not be able to deploy on domestic or international operations during the program. Participants will, however, do everything else expected of a soldier or Airman/woman once qualified in the job.

Gap Year also provides participants with the flexibility to elect to voluntarily leave the program at any stage with 14 days’ notice.

Applications for the 2015 Gap Year will be accepted on-line at www.defencejobs.gov.au or by phone 13 19 01, or by visiting the Defence Force Recruiting Centre at Level 1, 410 Ann Street, in the City.

**Australian Defence Force Academy**

We send our "call to action” for those students interested in applying to study at the Australian Defence Force Academy in 2015/2016.

For year 11 and 12 students looking for a rewarding career with a fast track to management and leadership roles, ADFA is a fantastic opportunity. Students are paid between $37,088 and $52,358 whilst studying, in addition to subsidised accommodation, food, tuition fees and text books.
On completion of their degree which is awarded through the University of New South Wales, Cadets are guaranteed a job as an ADF Officer. The application process is open to applicants when they turn 16 and must be 17 on the day they join. Due to the competitive aspect of these highly sought after positions, we encourage that students begin the application process as soon as they turn 16.

Message to students
Year 12’s – if you have not started the application process, you will need to commence you’re applications ASAP by calling 13 19 01.
Year 11’s – Once you are 16, you are able to apply for ADFA. It is highly recommended that you start the application process as soon as eligible.
Year 10’s – Begin to browse the Defence Jobs website and get an understanding of the job roles and associated degrees available at ADFA. UNSW does have assumed knowledge for most of their degrees, and it is therefore important to identify in year 10 the job role and degree you would like to pursue, and choose the appropriate subjects in years 11 and 12.
Attend an ADFA Information Session held by DFR Maroochydore. See the Information Sessions column on the last page for more details.

Careers Expos
We will again be attending the regions careers expos and will be in an area near you. As it is difficult to attend regional schools regularly, we request all interested students to attend the Sunshine Coast Careers Expo. ADF staff will be on hand to answer all questions.

Gympie Careers Expo – Thu 29th May 14
Sunshine Coast Careers Expo – Tue 22nd Jul 14

ADFA Timelines – ideally our ADFA candidates apply in year 11 when they turn 16. If you have any year 12 students that are considering ADFA, we urge them to register ASAP and commence the application process.

GAP Year – If you have any Gap Year specific questions, please consult the Defence Jobs website in the first instance. If you are unable to find the relevant information, please give our office a call.

Sunshine Plaza Stall
Army Reserve staff from Enoggera Barracks recently joined forces with our Maroochydore Careers Promotion Team to help promote Army Reserve roles at our Sunshine Plaza careers stall. Each school holidays, DFR Maroochydore sets up the careers stall just outside Myer on the ground level of Sunshine Plaza, and we will be there again Jul 2014.
There are still Army Reserve positions available within the region, and anyone interested is encouraged to call our office for more information or to book a YOU session.

YOUTUBE and DFR video
The new DFR YouTube Channel will shortly become the organisation's sole video portal, taking over from the Flash-based Defence Jobs TV (which cannot be viewed on Apple devices).
This portal is a great place for future ADF candidates to research job roles, watch videos from current serving members and to get a feel for ADF life.
