DEFENCE FORCE RECRUITING
Health Heroes is an educational career expo for Sunshine Coast’s Year 10, 11 and 12 students held at Kawana Waters State College adjacent to the Kawana health precinct and construction site of Sunshine Coast Public University Hospital.

FRIDAY, 1 MAY 2015 FROM 8:30 AM - 2:30 PM
KAWANA WATERS STATE COLLEGE, BOKARINA, AUSTRALIA

With over 80 health services showcased in engaging workshops and displays, students have the opportunity to talk directly with health professionals and advisors from universities and other training providers to gain information on the broad range of career and training pathways.

Young people often gain their knowledge about the health industry and career options based on their experience of medical care by doctors and nurses. Students will learn of the growing health sector on the Sunshine Coast as well as information on the occupations required in the near future with the completion of Sunshine Coast Public University Hospital.

2015 will be the fifth annual Health Heroes event. Previous years have attracted in excess of 500 students. Their feedback is very positive – as is feedback from exhibitors and teachers.

Health Heroes is NOT a commercial event nor is it a funded. It was developed as a collaborative response to requests by young people to learn more about the health sector and career options.

The event is the result of a partnership formed by Sustainable Partnerships Australia between the following organisations:

- Kawana Waters State College
- University of the Sunshine Coast
- Central Queensland University
- Sunshine Coast TAFE
- Sunshine Coast Hospital & Health Service
- Sunshine Coast Council
- Australian Government Department Education
- Queensland Government Department of Education, Training and Employment

Students interested in Attending MUST register their name with Mr Handreck at the College’s Career Office by Friday 27 February 2015.
The ADF Gap Year program provides an opportunity for young Australians, who have finished year 12 (or equivalent) and are aged between 17 and 24*, to experience military training and lifestyle whilst gaining new skills and pay over their Gap Year.

Gap Year opportunities are available in the Navy, Army and Air Force.

The life skills and job training that you will acquire during your Gap Year experience will be valuable regardless of what career you ultimately undertake.

The Gap Year program will commence in January/February 2016.

Navy Gap Year, Army Gap Year (Administration Clerk, Artilleryman, Driver, Rifleman, Unit Quartermaster) and Air Force Gap Year.
After completing basic recruit training and your specific trade training, you’ll be immersed in the Navy, Army or Air Force lifestyle while continuing to learn on the job. You’ll learn valuable skills, meet new friends and may even receive recognised qualifications to help progress your future career.

To find out more information about the ADF Gap Year program please visit defencejobs.gov.au/gapyear

* Navy applicants must be aged between 18-24 years old as of 8 April 2016. Army applicants must be aged between 18-24 years old as of 31 May 2016. Air Force applicants must be aged between 18-24 years old as of 11 April 2016.

Tax File Number Applications
A tax file number is a unique nine-digit number issued to individuals and organisations to help administer tax and other Australian Government systems. The Australian Tax Office has changed the process for students applying for a Tax File Number (TFN). Schools are no longer able to process TFN application forms! The new process involves students completing an online application form and then visiting an Australia Post Office outlet to have their identity verified. To apply for a TFN students need to visit: https://www.ato.gov.au/Individuals/Ind/Apply-for-a-TFN-on-the-web/?fb_locale=es_LA
After they have completed this form students will need to print their application summary and take this together with proof of identity documents to an Australia Post outlet. This must be done within 30 days of completing the online form. Information on the type of Proof of Identity documents that can be used can be found at https://www.ato.gov.au/Individuals/Ind/Apply-for-a-TFN-on-the-web/?anchor=Proof_of_identity#Proof_of_identity

The Kids are All Right Website

This article aims to help students get through their challenging final year of secondary school by providing six helpful tips for ‘survival’. http://www.youthcentral.vic.gov.au/Studying+%26+Training/Secondary+Study/6+Tips+for+Surviving+Year+12/
Cambridge Immerse 2015: An unparalleled educational experience in August 2015

www.cambridgeimmerse.com

The programme:

Cambridge Immerse is a two-week residential educational experience that allows participants to gain an unrivalled insight into a chosen discipline, ranging from the arts to the sciences. Subjects offered include Medicine, Law, Economics and Engineering. Tutorials and seminars are taught by highly regarded tutors from Cambridge University in an optimal learning environment that stimulates academic enquiry; yet the carefully planned schedule ensures that the programme not only meets the academic needs of the participants, but also provides a unique insight into the university city through an abundance of activities.

A carefully designed curriculum provides participants with an in-depth understanding of a wide range of topics, allowing students share and develop more informed and engaging responses to key debates within each discipline. Students are challenged, and emerge more confident and ready to articulate what they have learnt, with knowledge of their chosen fields that provides fascinating insights beyond the school syllabus – and, of course, many unforgettable memories along the way.

Students reside in Queen’s College one of central Cambridge’s most beautiful university colleges. Within its historic walls, we pride ourselves on providing unique experiences of leadership and academic excellence through a programme for participants that instills the confidence and passion for learning that are essential to success in higher education.

To find out more & to apply

Enrolment in the program is ongoing, and students aged 15 and above are welcome to apply. We’ve added lots more subjects this year, so please take the time to explore www.cambridgeimmerse.com. A PDF version of our prospectus is also available to view at https://www.cambridgeimmerse.com/CambridgeImmerse2015.pdf

If you are interested in applying, please apply online through our website, or alternatively, if you require further information please don’t hesitate to email enquiries@cambridgeimmerse.com.

If you would not like to receive any more information about Cambridge Immerse 2015, please let me know by respond to this email.

8. **Student Tax File Number Applications**  
**Application Online**

A tax file number is a unique nine-digit number issued to individuals and organisations to help administer tax and other Australian Government systems.

The Australian Tax Office has changed the process for students applying for a Tax File Number (TFN). Schools are no longer able to process TFN application forms! The new process involves students completing an online application form and then visiting an Australia Post Office outlet to have their identity verified. To apply for a TFN students need to visit:

After they have completed this form students will need to print their application summary and take this together with proof of identity documents to an Australia Post outlet. This must be done within 30 days of completing the online form. Information on the type of Proof of Identity documents that can be used can be found at

Projects Abroad offers a range of two-week programmes specifically designed for high school students in year 10 and 11 – typically aged 16 and 17. The projects combine volunteer work with cultural immersion and are fully supervised by full time Projects Abroad staff. The projects will run in Cambodia, Fiji, Nepal, Philippines and Sri Lanka over the summer of 2015/16 and bring together likeminded students from all over Australia and around the globe. As a group, students share the experience of personal development, leadership, and understanding – giving them a first-hand perspective of life in a developing country. Safe, sustainable and worthwhile, these projects are a journey of discovery for students which allow them to develop a greater understanding of the world around them, as they learn more about their own strengths and abilities.

Projects Abroad
Recruiting volunteers from around the world, Projects Abroad sends thousands of volunteers away annually to 27 developing countries and supports over 1,000 individual projects in childcare, education, conservation, healthcare, and human rights. Founded in 1992, Projects Abroad offers safe, sustainable, constructive and worthwhile placements which allow the volunteer to make a positive impact and form a genuine connection to the community or environment in which they work.

Practicalities
- Volunteer projects give students a unique insight into the developing world through a mixture of volunteer work, educational activities and cultural immersion.
- Students can join individually or with friends. The groups are made up of 8-20 students from schools across Australia and around the globe. Students will have the opportunity to chat to each other before departure and will take part in an online preparation workshop together.
- Accommodation in Fiji, Philippines and Sri Lanka is with local host families with small groups of students placed in each household. The families are carefully chosen and have hosted many volunteers before. In Cambodia and Nepal students stay together in apartments and guesthouses with a housekeeper providing meals and Projects Abroad staff a few on-hand.
- The projects are coordinated by our local full time Projects Abroad staff and each group has a dedicated Projects Abroad supervisor at all times. The programmes are well-planned and have set itineraries which are provided in the lead-up to the project.
- For all of our High School Projects, we ask for students to be positive, open-minded, proactive and enthusiastic. There will be challenges, but overcoming them is an important step in the volunteer journey – something students find hugely rewarding.

Overseas Volunteer Trips for High School Students

Cambodia / Fiji / Nepal / Philippines / Sri Lanka

Supported – Local office, full time staff & dedicated supervisor
Safety – Prioritised safety & fully risk assessed
Sustainable – Worthwhile, practical & educational projects
Travel – Discover the world & travel with a purpose
Growth – Build leadership, initiative, perspective & independence
Social – Make friends with likeminded students

2015/16 Summer Projects
December 6-19 & January 9-31

CAMBODIA  Care & Community
CAMBODIA  Conservation & Community
FIJI  Community Village Project
NEPAL  Medicine & Healthcare
NEPAL  Care & Community
PHILIPPINES  Building
SRI LANKA  Care & Community

My decision to volunteer in Nepal was probably the best decision I have ever made. My time there was enriching and enlightening in so many ways. Having an opportunity to experience a foreign culture and seeing all the wonderful social work that people do for the betterment of others was fantastic. Most importantly this has made me appreciate Nepal in this unique way.

Daniel ST - Nepal
Projects Abroad

High School Overseas Volunteer Projects 2015/16

We are extremely excited to announce our High School Projects for 2015/16! The High School Projects are a jam-packed two week group trip with students from all over Australia, New Zealand and around the globe. Students in year 10 and 11 (11 & 12 in NZ) - typically aged 16 and 17 - can choose to join the groups individually or with friends.

The volunteer trips will run this summer from December 6th to the 19th and January 3rd to the 16th in Cambodia, Fiji, Sri Lanka, Nepal and the Philippines.

The projects are a rich mixture of volunteer work and cultural activities, so you can really get to know the country you’re in! The projects allow you to:

• Support disadvantaged children in Sri Lanka, Nepal, and Cambodia
• Become part of a traditional village community in Fiji
• Learn to dive and support marine conservation work in Cambodia
• Shadow doctors in medical work experience in Nepal
• Help to reconstruct community buildings and housing devastated by a typhoon in the Philippines

These projects are well supervised, worthwhile and very practical ways to make your summer holidays unforgettable and to travel with a purpose to a developing community a world away!

You can download the December High School Projects leaflet or take a look at all of our High School Projects here! »
Student business competitions
Students can compete against other schools and challenge themselves by participating in the Student Accounting Challenge or BlueShift: QUT Business Case Competition.

Resources for rural and regional schools
QUT offers resources for schools in rural and regional areas to help students find out about QUT and university life, including Skype presentations, bulk orders of course publications, and representation at career markets throughout Queensland and northern New South Wales.

Anatomy short course
High-achieving Year 11 and 12 students interested in studying medicine or allied health can enrol in QUT's Pulse on Anatomy short evening courses.

Chat online with the Law faculty
Parents and prospective students can have their law and justice course questions answered online between 10am and 4pm daily through live chat. Just click on the Chat button in the Contacts screen. You can contact the Faculty of Law by phone on 07 3138 2839 or email law_enquiries@qut.edu.au at any time.

QUT admission overview 2015
QUT has made more than 11 000 QTAC offers to students for places across its three campuses for Semester 1, 2015, with double degrees, as well business, engineering and health sciences courses, proving to be popular choices. Check the website for latest course information including new cut-offs.

Students can access QUT library resources
Year 11 and 12 students can access QUT Library resources and services to help with their study and research skills through the QUT Library Schools' Program. The program provides free online study and learning tools, access to books and journals in the libraries, and tours and workshops.

Visual art and fashion events
Throughout the year, students and parents can participate in a variety of workshops, tours and career events about fashion and visual art through the QUT Art Museum. Check the QUT Art Museum program for dates and details.
