Chapple, a local 6-year-old Good Shepherd Lutheran College student a ride in his rally car to school.

“Daragh is my No.1 fan, it’s really great that he is so excited about rallying, he draws me pictures of rally cars and is always asking me about rallying and how we are going,” Davidson said.

Davidson is entered in the Queensland Junior championship in his Subaru WRX. When asked what he and his co-driver Tim Bryant expected form their first rally, he laughed, “As long as we don’t crash it into one of the thousands of trees that line the road we will be very happy.”

Davidson and Bryant are cautious of predicting a result. “This is our first real rally. Experience, money and luck are very important ingredients in rallying success, two of which we have none of, so with a lot of luck we are hoping to win the junior class and be in the top five of the Queensland division. If this happens we will be over the moon!” said Davidson.
