Nurture young talent

Eliza Trompf trained hard to achieve her netball goal

It was all set for 14-year-old Eliza Trompf last Saturday night when she learned of her selection into the Sunshine Coast Ergon Netball Academy for 2010. The gutsy centre court player was one of just 12 players aged 14-17 across the Sunshine Coast region named in the academy, which provides a development pathway for talented young netballers to help them reach their potential.

Being one of the youngest named in this elite group is a fantastic achievement for Eliza, who has been training hard for several months to reach this goal.

Eliza, a Year 10 student at Good Shepherd Lutheran College, is currently a member of the 15 Yrs Noosa Netball representative side.

This team boasts a number of talented young players and has turned in some impressive performances at various state carnivals over the last three years.

Rep players are reminded that training and final selections for all age groups (12-15 yrs) are on this Tuesday night.

If it is raining, check the week’s inclement weather forced the cancellation of the selections. Hopefully the weather will hold out to allow the Wednesday night season to get underway this week.

All teams are asked to check the website for details of game times.

Winter fixtures will be held this Saturday, March 13 at the Tewantin outdoor complex. Please visit the website for details.
