OPEN DAY TUESDAY 17 MAY 2011
AT GOOD SHEPHERD LUTHERAN COLLEGE

Prospective students will have the opportunity to take a glimpse of Good Shepherd Lutheran College in action at the College’s Open Day on Tuesday 17 May. Welcomed by the newly appointed Principal, Anthony Dyer, visitors will be able to get a glimpse of college life and meet the friendly staff and students. Take a tour of the campus, enjoy morning or afternoon tea and children can also participate in activities.

Good Shepherd is a co-educational Pre-Prep – Year 12 College providing quality, Christian education to families around the Noosa and hinterland districts and northern end of the Sunshine Coast. Good Shepherd Lutheran College has a strong commitment to Christian values and belief and their programme focuses on pastoral care and looking after the needs of students.

Celebrating its 25th Anniversary, Good Shepherd Lutheran College is well established and located in an environmentally friendly bushland setting and has earned a reputation for retaining qualified, professional teaching and supporting staff who provide a very caring and nurturing environment. The college has a record of academic success enabling students to achieve their maximum potential. We are pleased to report that 54% of students graduating in 2010 achieved an OP 1-2, including two OP1’s, and 47% achieved an OP 1-10. These outstanding results demonstrate the academic strengths of our students and the skilled and professional level of the teaching the college offers.

The Good Shepherd Lutheran College campus boasts spacious grounds and classrooms including an array of facilities and resources such as a new library and indoor health and physical education complex and 25 metre pool; cultural programs and resources with a contemporary performing arts theatre; a 1:1 laptop programme for students in the middle and secondary programme as well as interactive and up-to-date technologies for optimum learning environments. It is also the only independent school on the Sunshine Coast that is offering the International Baccalaureate programme for the primary and middle years and is currently at the candidacy stage of Implementation. The International Baccalaureate programme provides students with an innovative programme designed to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

Good Shepherd has its own private fleet of buses for transporting students to and from school and for school excursions and activities. This enables students from Coolum, Petriebug and Pomona to Kenilworth and Cooroy to conveniently and safely travel to and from the College in the private buses and there are also bus hire services available for other areas.
