Guided tour with planet guardians

Good Shepherd Lutheran College has arranged two convenient sessions when visitors are invited to see the college in action during its Open Day on Tuesday, May 18.

Times are 9am-11am when students will be doing their usual activities, or after school or work at 3.30-5.30pm. Off street parking is available off Eumundi Road and Walter Hay Drive.

The college’s string quartet will entertain guests while morning tea, catered for by Year 11 hospitality students, is served.

Staff members will be on hand to answer any questions and information packages are available.

Family and friends are welcome; there will be activities for children.

Points of interest are the open classrooms with displays of work in Year 7, a Japanese language display in one class and another class doing German.

GSLC will celebrate its 25th year in 2011.

In support of its candidacy for the International Baccalaureate, the school has introduced a laptop program in Years 6, 9, and 10.

Students are part of an innovative program designed to develop internationally-minded people who, in recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

Anyone who cannot make it to Open Day can book a guided tour on www.gsle.qld.edu.au or contact the registrar on 5455 8800.
