**Little Lambs Early Learning Centre**

**Day 1**
Monday July 12 2010 and Little Lambs Early Learning Centre was finally opened as a part of the Good Shepherd Lutheran College. After years of thought and planning it has been wonderful to have so many families and children becoming involved with the educational learning of the centre.

Opened the centre together as a team with 12 children and now being full,

Have also joined the team, in this amazing journey of fun, friendship and learning. As you can see the Children have been busy developing their play into an amazing inquiry based learning environment. They have shown excitement, as they bring their interest into the daily curriculum and we thank parents for being a part of their learning through encouragement and participation.

A Big thank you is sent out to all those involved in the process of Establishing Little Lambs and all of our families that have joined us. Mrs. Iris Hall Head of Primary and the college has supported us in all that we have achieved, QLECS staff have been with us each step of the way And the families have made us a centre of love and enjoyment.

Thank You All
