College students make Walk of Honour

The Walk of Honour has become a tradition at Good Shepherd Lutheran College and a rite of passage for graduating Year 12 students. The main pathways of the college are flanked with students from Prep to Year 11, all gathered to applaud and recognise the graduating class of 2009.

The senior students walk along the pathway from the back of the college right through to the chapel, soaking up the atmosphere and good wishes, as well as the admiration, from their peers.

The Walk of Honour concludes with a final closing chapel for the Year 12 students, where they are given God's blessings for the future.

Students in past years have noted this ritual as one of the most significant and emotional in their graduation celebrations.
