It also includes the cost of visiting theatre groups and competition fees including English, Maths, Science etc.

Some theatre tickets, individual and group Performing Arts tuition costs, club fees and certain expensive and restricted excursions are charged out at cost on a user pays basis.

Year 7 Canberra Trip
Families with children in year 6 who have paid the Canberra Trip progress payment for the 2007 Canberra trip will have the total amount that they have been charged, credited to their school fees at the commencement of 2007.

Compulsory per family Capital Levy
This levy has been introduced in 2007 to provide funds for the College's extensive building programs for the period 2006 - 2010. This levy replaces the previously voluntary Building Fund Donation as a more secure source of funds for the College's Capital development.

Compulsory Parents and Friends Levy
The P&F Association has resolved to charge this levy and it is collected by the College through its billing system and paid across to the P&F Association. The P&F Association is very active in providing funding for the purchase of teaching and library resources, sports equipment, computers and computer software. It has also undertaken the funding of major developments such as the construction of the swimming pool.

Student Accident Insurance
Included in the resource levy is a 24 hour worldwide student accident insurance cover as well as school ambulance cover for the first conveyance trip while on school activities.

Supply of Secondary Textbooks
The supply of Secondary subject textbooks is included in the tuition fee. A replacement fee will be charged for books not returned or which have been defaced.
Payment of Fees
Accounts are forwarded at least one week before school resumes. The due date for payment of fees is 4.00 pm on the following:-
Term 1 fees payable by Friday 3 February 2007
Term 2 fees payable by Friday 28 April 2007
Term 3 fees payable by Friday 14 July 2007
Term 4 fees payable by Friday 13 October 2007

Please do not hesitate to contact the Principal to discuss payments or payment arrangements should this be necessary. In summary, school fees are required to be paid in full by the due date. If parents are unable to meet this requirement and wish to enter into an arrangement to pay fees off, they are asked to arrange this through Direct Debit.

A student shall not be allowed to commence a new term at the College if the College fees for the previous term have not been paid or an extension of time for payment has not been entered into. The College may terminate the enrolment of a student if College fees remain unpaid at the end of the term for which the fees are due. Further, appropriate recovery action will be commenced. Parent(s)/Guardian(s) will be billed for debt collection fees as established between the College and the Commercial Agent.

The College reserves the right to withhold College reports and references if fees remain unpaid at the end of the term to which they relate.

If required, please contact the Business Office to discuss these options.

Overdue Fees
An overdue fee of $30 per student is automatically added to all unpaid accounts at the end of the first week. The recovery of all outstanding monies will be placed in the hands of the College's collectors and all costs incurred will be added to the account. Families experiencing difficulties making payment within this period are requested to contact the Business Office before the account becomes overdue. In most situations, families will be required to sign a regular direct debit authority to meet payments.

Prompt Payment Discount
A 5% discount applies if the full year's tuition fees are paid by the end of the first week of the school year. This discount applies to payment by cash, cheque or credit card only.

Application Fee ($60.00 per family at time of Application for Enrolment)
The application fee applies to each application for enrolment lodged with the College. If additional applications are made at a later date, parents are required to pay an additional application fee. This fee is non-refundable and assists in covering the enrolment processing costs.

Student Bond (Payable on Acceptance of Enrolment)
This bond is currently $700.00 per student. No interest is payable on this money and the amount will be refunded, on application, when the student leaves the College after it has been established that all accounts have been paid and all hire books and library books returned. The bond will be forfeited if the student is withdrawn without the required one term's notice in writing having been given.

Fees Variation
While every endeavour is made to keep fees constant during the school year (and, indeed, this has always been the case), the College Council reserves the right to adjust these as necessary at its discretion.

Fees Assistance
College Council sets aside each year a limited amount of funding to enable assistance to be provided in the case of genuine need. This funding is allocated on a means-tested basis. Parents should feel free to discuss the matter with the Principal who has the authority to grant a reduction of fees in cases of genuine need.

Building Fund and Library Fund
The College has a Building Fund and Library Fund to which parents and others may make voluntary, tax deductible contributions. The support of the College's development program is essential if the College is to continue to provide adequate facilities and programs. Overwhelming support by families in the past has enabled Good Shepherd Lutheran College to provide the current facilities.
