ANNOUNCEMENTS 

J Berghauser 
Invited the P&F to consider providing the bar service at College graduations/formals, to be held in the HPE Centre, with all profits to the P&F fund. 

The P&F requested time to consider the following: 

1. Do we have 4-5 “qualified” volunteers? for the set up and to provide a bar station (not table) service from something like 6.30 or 7.00pm through to about 11pm. 

2. Can we source a wholesale supplier with a returns policy on unsold bottles? 

The food caterer would provide glassware. The College would attend to the liquor licence. 

The service would be champagne/wine/beer/soft drink. 

The first function is the Yr 11 Formal Sat 4th August-this could be seen as a trial. 

The Yr 12 and Yr 7 Graduations are in November. 

JB will follow up with the P&F in a couple of weeks. 

As a result of this discussion a suggestion that a double door glass front fridge, similar to the one in the Hall Kitchen, be purchased for the HPE Kitchen. 

JB suggested the tuck shop fridge could be made available for use on the night. 

GRANTS 

G Foster reported the pool cover and grand stand grant applications are still progressing. 

A Grants Committee has also been formed to provide some more focus in this area of funding. 

Laura Livingston indicated her interest in assisting the Grants Committee if needed, as she is currently on a Tennis Club Grants Committee. Laura will contact Mark Ansell.
