4. **Cambridge Immerse 2018**

**Enrolments Open Now**

Cambridge Immerse is a unique two-week residential educational experience that allows participants to gain an unrivalled insight into a chosen discipline, ranging from the arts to the sciences. Subjects offered include Computer Science, Medicine, Law, Economics, History and Engineering and many more. The academic programme is designed and taught by tutors from Oxford and Cambridge University in an optimal learning environment that stimulates academic enquiry. And the carefully planned schedule ensures that the programme not only meets the academic needs of the participants, but also provides a unique insight into the university city through an abundance of activities.

Students reside in one of the Cambridge Immerse Campus colleges: Queen’s College, Christ’s College, Sidney Sussex College, and St Catherine’s College. All are prestigious and central colleges of Cambridge University. Within their historic walls, we pride ourselves on providing unique experiences of leadership and academic excellence through a programme for participants that instills the confidence and passion for learning that are essential to success in higher education.

To find out more & to enrol: Enrolment in the program is ongoing, and students aged 15 and above are welcome to apply at [www.cambridgeimmerse.com](http://www.cambridgeimmerse.com). A PDF version of our prospectus is also available to view at [https://www.cambridgeimmerse.com/Prospectus2018.pdf](https://www.cambridgeimmerse.com/Prospectus2018.pdf)

If you are interested in enrolling, please do so online through our website, or alternatively, if you require further information please don't hesitate to email [enquiries@cambridgeimmerse.com](mailto:enquiries@cambridgeimmerse.com).
Defence Force Recruiting

Invite

DEFENCE FORCE RECRUITING

Invites you to the

Australian Defence Force Academy
Future Leaders Networking Evening

The Australian Defence Force Academy (ADFA) combines military and leadership training with a world-class degree from the University of New South Wales for the future leaders of Australia’s Navy, Army and Air Force.

You are invited to join us for an evening of special presentations, panel discussions, networking and canapés.

Wednesday, 18th October | The Mantra, Mooloolaba Beach | 6:00pm

The evening will provide an opportunity for you and your guardian to interact with ADFA Graduates and discover how you can become a world-class leader through the Australian Defence Force Academy.

This invitation is for you and two guests.

Please register online using the link below

http://events.defencejobs.gov.au/event/8WHL5G/

Please contact defencejobsmaroochydore@dfc.com.au for further questions.
6. **Automotive Modern Apprenticeship Program 2018 Applications**

Vantage Automotive Pty Ltd is a major provider of Government funded vocational learning and outsourced services to major vehicle manufacturers with an extensive client list across Australia. Applications are now being sought from students that are interested in a career within the automotive industry as an Automotive Technician or Parts Interpreter.

Both male and female candidates from all over Australia are invited to apply for the Automotive Modern Apprenticeship Program and, if selected, will be offered full time employment at a dealer close to their home and flown to Sydney for block training. This is a funded program with minimal cost to the student.

Positions are already available for the 2018 academic year so interested students must apply quickly to ensure their chance of a full time position.

If students are interested in joining one of our Automotive Modern Apprenticeship Programs, the application process would be to carefully look at the manufacturers and dealerships listed on our website [www.vantageautomotive.com](http://www.vantageautomotive.com) under the ‘Apply Now’ area, remembering that the Apprenticeship Program leads to full time employment, and choose which manufacturer and dealership they wish to apply.

Once a student is happy with their selection, they are then required to fill out the application form online and attach their current resume with a cover letter, they will also be required to follow the steps and complete a short online assessment.

The dealership to which they have applied will then receive the application and may be in contact to invite them in for an interview.

**Vantage Automotive Centre of Excellence**
32 Birnie Avenue, Lidcombe, NSW 2141
PO Box 63, Sydney Markets, NSW, 2129
Tel: 02 8014 8990 | Fax: 02 8014 8980
Email: reception@vantageautomotive.com
Web: [www.vantageautomotive.com](http://www.vantageautomotive.com)

Meet USC is your opportunity to explore USC and get all the information you need to kick off your tertiary study in 2018. This event is for anyone considering starting uni in 2018, whether you are a teen or retiree.

Considering a career in health? While you’re at Meet USC you can also sit in on the free panel discussion—Careers in an evolving health industry. Whether you’re considering nursing, nutrition, sports and exercise science, prosthetics and even medicine, there’s a wealth of options and opportunities available — some which you may not have even considered, but all right here, at USC.

At Meet USC you can:

- Listen to a panel of health industry experts talk about career opportunities
- Take a tour of our world class facilities with a student ambassador
- Attend a ‘What to expect next’ presentation
- Get support with your QTAC application
- Find out more about different degrees offered at USC
- Speak directly with USC staff and get your questions answered
9. **School Based Traineeship**

**Gymnastics Coach**
Noosa Gymnastics Club continues to offer paid employment to students while they are at school through our School Based Traineeship Program.

The School Based Traineeship Program has two components.

1. Study for a Certificate III in Sport, Fitness and Recreation, through a Registered Training Organisation (correspondence course).
2. Obtain an Intermediate Coaching Accreditation through Gymnastics Australia.

Upon completion of the above qualifications the trainee has the opportunity to:
- a. Pursue a career coaching gymnastics
- b. Pursue a career in the sports, fitness and recreation industry
- c. Has two nationally recognised qualifications
- d. Has learnt transferable workplace practices for other fields of employment

Interested students must meet with Mr Handreck prior to applying.

The formal application is then made to Meryl Elphinston (Head Coach/Administrator) on 54472419 or info@noosagymnastics.com.au

10. **TAFE Courses for students whilst at School**

**2018 Courses – On-Time Enrolments Deadline**

We're fast approaching the cut-off for on-time enrolments. Please encourage your students to apply for their preferred course by **Thursday 12th October**.

We encourage all students to apply through [tafeapply.com](http://www.tafeapply.com) and enter the code 'TQEC1801' to enrol on a course in Semester 1, 2018.

Applications will remain open after this date but please be advised we need to gauge course interest as early as possible in order to reach the minimum numbers.
Urban design and town planning is all about how we bring people, places and spaces together. Students will learn how to design urban environments and plan for sustainable development.

This program is the only undergraduate degree of its kind accredited by the Planning Institute of Australia.

**DESIGN PLACES OF THE FUTURE.**
12. TAFE OPEN DAYS

Open Day Tours

Students are invited to experience the TAFE Queensland Open Days and take a tour of our Mooloolaba, Nambour, Hervey Bay or Bundaberg campuses.

Our friendly staff and students will be on-site to discuss our range of courses and help students make an informed decision about their future career.

TAFE Queensland’s Mooloolaba, Nambour, Hervey Bay and Bundaberg campuses will be open for discovery on

October 27, 2017

Open Days are a great way to:

- visit our campuses
- see our state of the art facilities
- speak with friendly staff and students
- take part in hands-on workshops and mini lectures
- enjoy music, entertainment and food
- ask questions about your future study with TAFE Queensland

Please complete the registration form to secure your attendance.

We look forward to seeing you there!

Register now
13. University of Queensland

New Programs for 2018

- Bachelor of Advanced Business (Honours) (4 year program, full time)
- Bachelor of Computer Science (3 year program, full time)
- Bachelor of Engineering (Honours) and Master of Engineering (5 year program, full time)

Bachelor of Advanced Business (Honours)
QTAC Code: 709101
Duration: Four years, full time
Prerequisites: English, Mathematics B or C.
Pathways:
- Research pathway: Thesis & Two Majors
- Professional Pathway: Three majors

Majors
- Accounting
- Business Analytics *Only available to Advanced Business students
- Business Information Systems
- Entrepreneurship and Innovation *Only available to Advanced Business students
- Finance
- Human Resources
- International Business
- Marketing

The program is aimed at high achieving students seeking to study advanced business concepts. The core of the program includes a number of courses that will only be available to students in the BAdvBus(Hons) and the anticipated small cohort size will allow for flexible and engaging delivery styles aimed at enhancing the students’ learning environment.

RBUS4999 Business Industry Placement is offered within all majors (except Entrepreneurship and Innovation) and provides students the opportunity (subject to meeting entry criteria) to undertake an internship. TIMS4301 Entrepreneurship and Innovation Incubator is specifically designed for the Entrepreneurship and Innovation major, where depending on the nature of the projects selected, placement and work experience may be required.

Bachelor of Computer Science
QTAC Code: 733401
Duration: Three years, full time
Prerequisites: English, Mathematics B. Mathematics C recommended.
Dual program options: Arts, Mathematics, Science, Engineering (Honours)

Majors
- Cyber Security
- Data Science
- Machine Learning
- Programming Languages
- Scientific Computing
Note: Taking a major is not compulsory, giving students flexibility to enrol in specific courses of interest. At a glance, it looks like it should be possible to double major through careful elective selection – although this is sometimes impacted by the semester that certain courses are offered and other difficult to predict factors.

**Courses available:**
At present 97 individual courses can be studies in this degree, giving students unprecedented flexibility in choosing courses that interest them and will be useful to their careers. Final year students also have a few different opportunities to get credit for special projects and develop problem solving skills in a wide range of industry setting (through a range of Special Topic courses).

The full course list can be found [here](#), however below is a small sample of some interesting courses:
- Ethical Hacking
- Coding & Cryptography
- Data Mining
- Genomics & Bioinformatics
- Artificial Intelligence
- Advanced Computer and Network Security
- High-Performance Computing
- Multimedia
- Machine Learning
- Social and Mobile Computing

**14. Christian Heritage College**

**Open Night**

Wednesday 25 October at 5.30 to 7.00pm

[Christian Heritage College](#)  
322 Wecker Road, Carindale, Qld 4152  
[study@chc.edu.au](mailto:study@chc.edu.au)

We would like to invite you to our final Open Night on Wednesday 25 October, starting at 5:30pm. Come along and speak with our friendly staff about our courses, how to apply for 2018 and the advantages of private, Christian higher education.

Secure your place for 2018!

This month, we will have representatives from **all five study areas** at CHC. Come along and find out about:
- **Business** (Accounting, Marketing, Management)
- **Education** (Primary and Secondary teaching)
- **Liberal Arts** (literature, history, philosophy etc)
- **Ministries** (practical ministry, biblical studies, leadership)
- **Social Sciences** (Counselling, Chaplaincy, Youth Work, Aged Care, Family Support and more...)

It’s a great opportunity to get all the answers to your study questions. QTAC and direct applications for 2018 are now open.

Please let us know that you’re coming, by clicking the “Register Here” button below.

**Undergraduate**
Fully accredited Diploma and Bachelor programs designed to launch you into your chosen career or field of study. Suitable for school leavers and mature age students. Flexible part-time and distance education options available.

**Postgraduate**
Develop your professional skills and networks, or explore a new career area. From Graduate Certificates to Masters, these courses will challenge your thinking, develop your leadership potential and increase your industry knowledge.

Studying hard for end of year exams; choosing a higher education options; graduating… It can all get a bit much. Nothing is more important than the mental health of young students, and there are a number of stress busters and life hacks that have been proven to work well for those feeling the strain. There are fact sheets, tips and tricks and relaxation exercises on offer in this comprehensive guide – it even comes with app recommendations to ensure students have the best help available. Please take a look at these wonderful resources for parents, students and educators alike: they’re all aimed at ensuring the health, happiness and success of young people.

16. UQ News
October 2017

Enhanced Studies Program – apply now

High achieving Year 11 students are invited to apply for the Enhanced Studies Program (ESP). ESP provides students with an opportunity to extend their studies by completing a university subject in Semester 1 of Year 12. Over 40 courses are available in a range of study areas.

Who can apply?
Students currently completing Year 11, in all Queensland high schools, including on-shore international students and students studying for an IB who:

- are high academic achievers gaining at least a 'B' cumulative average during Semester 1, Year 11,
- can participate in ESP during first semester of Year 12,
- are confident the extra study will not negatively impact their Year 12 studies,
- have gained support and permission from their parent/guardian and their school to take on the additional workload.

Students who participate in ESP enjoy the benefits associated with being a UQ student. Upon successful completion of ESP, students will receive one bonus point towards their university entrance rank through UQ’s Bonus Rank Scheme.

For full eligibility criteria, visit the website. Applications are open and close Tuesday 31 October, 2017.
UQ Sporting Scholarships - apply now

Experience the outstanding sporting facilities and services offered by UQ and UQ Sport, including UQ Sporting Scholarships. With our assistance and support, students will learn to balance their studies with the demands of elite-level competition. Our sporting scholarships support students financially, as well as offering academic tutoring and support, facility access, workshops, and much more. Encourage your elite community to become world-class athletes – applications close Tuesday October 31, 2017.

The Science Experience - apply now

During this 3 day ConocoPhillips Science Experience students will discover the breadth and depth of science available at UQ with workshops covering a range of disciplines including maths, physics, genetics, marine science, neuroscience, health and safety science, agriculture and nanotechnology. They will have the opportunity to speak to researchers in some of our unique research institutes and centres and also hear from some of our top scientists discussing their areas of interest. Students will test their general science knowledge in the Science Relay Quiz, create companies in an invention workshop and make new friendships at the Supernova Disco. The 2018 Science Experience will run from Wednesday 17 to Friday 19 January, 2018.

Apply now.
