Griffith University: Integrity 20

Thursday 19th - Friday 20th October 2017

Griffith University is offering a limited number of sponsored places for students in Years 11 and 12 to attend Integrity 20 for 2017, free of charge. Integrity 20 gathers remarkable people from Australia and around the world to examine and discuss some of our greatest global challenges. Through a series of keynotes, conversations, debates, performances and more, the Integrity 20 program examines some of the great challenges for humanity - those challenges that feature on the world stage, dominate media and shape our lives. <http://integrity20.org/2017-2/>

Connect with Bond

Getting connected with the Bond community doesn't have to start once you arrive on campus, you can connect with a bondy right now. On the Bond Website you will find a number of students who are happy to chat, email or tweet with you about any of your niggling questions you might have about studying at Bond. <https://bond.edu.au/future-students/life-bond/connect-bondy>

CQU: The Capstone Editing Textbook Grant

Applications close 31st December 2017. Applications are open all year. The grant will be awarded on 1st February every year, with the recipient chosen from among the applications from the previous 12 months. The Capstone Editing Textbook Grant for Undergraduate Students is awarded on the basis of financial need. Each application will be carefully assessed. The Grant provides \$3,000 to one undergraduate student per year to assist in covering the cost of their textbooks for the duration of their degree. <https://www.cqu.edu.au/courses/scholarships/offerings/the-capstone-editing-textbook-grant-for-undergraduates>

Careers with Maths: Stories

Read this story of where a career in maths can take you.
<https://careerswithstem.com/profiles/campaign-manager/>

The UNSW Bragg Student Prize for Science Writing

Students in years 7–10 are invited to submit a piece of writing about a topic in science that interests them. Essays must be 800 words or less. Entries close 20th August.
<http://www.refractionmedia.com.au/braggstudentscienceprize/>

Introducing Robotics: Build a Robot Arm

Monday 10th July. Learn about the practice of robotics and computer hardware and software through a five-week course. The courses are open to anyone who has knowledge on concepts from advanced high-school mathematics. In this course, you will design, build and program a simple robot, with at least two joints, that can carry a pen or pencil and draw a coordinated line on a sheet of a paper.
<http://www.futurelearn.com/courses/build-a-robot-arm#section-requirements>

Careers in Mathematics

The American Mathematical Society website has a lot of information for young mathematicians. In particular, the section "See where math is used" is very good for career planning.
<http://www.ams.org/programs/students/students/>

QUT's Extreme Science and Engineering Program

Our widening participation program works with under-represented school groups to build aspiration for university study, particularly in the fields of science, technology, engineering and maths (STEM).

We aim to demystify university for students, particularly those who'd be the first in their family to attend. We also build confidence for teachers to incorporate STEM into their teaching through professional development opportunities.

If you'd like to be involved with our Extreme Science and Engineering program, contact the [Science and Engineering Widening Participation Team](#). For more information about Robotics at QUT, contact the [Robotics@QUT Team](#).

Universities

UNSW Co-op Program

Australia's leading companies take part in the training and professional development of some of the nation's best and brightest students with a view to recruiting high-potential young professionals.

Minimum ATAR of 96 (or equivalent) is required, and aside from training and mentorship throughout university, you'll increase your chances of being offered a graduate position at a participating company.

<http://www.coop.unsw.edu.au/future-students>

Griffith University Rock School

If you're in high school and want a hands-on crash course in popular music, check out Queensland Conservatorium's week-long Rock School. Attend a series of workshops from experts in stagecraft and live sound, song writing, performance and recording, all in our industry-standard, multi-million dollar popular music facilities on our Gold Coast campus.

The five day program culminates in a concert that friends and family may attend, and you'll receive a recording of your work.

8 - 12 January 2018 Griffith University, Gold Coast campus, Southport

Applications close Wednesday 1 November 2017. There are 25 places in the program, so early application is advised. Late applications will not be accepted.

<https://www.griffith.edu.au/music/queensland-conservatorium/pre-tertiary-and-community-opportunities/popular-music>

Robertson Scholars Leadership Program – Study in the US

The Robertson Scholars Program is not just a scholarship; nor is it just a leadership development program. The Robertson Scholars Program is a comprehensive, long term investment in our Scholars' futures. The Program valued at up to \$50,000 per annum provides full tuition, room and board. Robertson Scholars at UNC will receive an additional living stipend (to cover travel, books, etc). In addition, support is provided for three summers of service, research and travel. The Scholarship is available for students of most courses of study including pre-medicine and pre-law. Study in medicine and law past undergraduate level is excluded.

Applications are handled by UNSW and close 1 December 2017

Private Colleges

JMC Academy - Scholarship Applications for 2018 Are Now Open

To ensure passionate prospective students have every opportunity to enhance their technical ability and pursue their talent to the highest possible level, JMC Academy offers up to 8 Academic Undergraduate Scholarships in each campus, covering one year of tuition fees for any of JMC Academy's eight bachelor degrees. Contact JMC Academy directly for an application pack and follow the application process details. Alternatively, a stand-alone application can be submitted.

Scholarship applications close on Friday 15 December 2017 at 5:00pm.

<http://www.jmcacademy.edu.au/apply/domestic-students/scholarships>

Le Cordon Bleu Scholarships – Adelaide, Sydney, Melbourne, and Perth

Le Cordon Bleu Australia offers an exciting annual scholarship program to Australian and international students, and industry/media professionals. Scholarships range from \$5,000 to \$30,000 and apply to study programs across the Culinary Arts, Hospitality and Gastronomy, including the Bachelor of Business. The Perth campus opens in July 2017, and to celebrate they're offering two scholarships, valued at \$20k towards the new Bachelor of Business (Convention & Event Management) and Bachelor of Business (Tourism Management).

<https://www.cordonbleu.edu/Sydney/scholarships-australian/en>

International College of Hotel Management Career Weeks

10th July – 14th July and 25th September – 29th September

These weeks are intended for people who are interested in studying hospitality business and who want to find out if a career in hotel management is for them. Apply early, as places fill up fast. <https://www.ichm.edu.au/about/careers/career-weeks>

AIE Mid-Year Fast Track Intake Open Now

Students in the mid-year intake at our Sydney, Melbourne, Canberra and Adelaide campuses are able to complete the first year of the two year program in six months. This is done by studying five days per week, 9am to 5pm, rather than the usual two and a half days per week. By the end of the year the mid-year intake group can commence year two study with the cohort that commenced year one study at the start of the year. In 2018, both cohorts combine classes and resume normal two and a half days per week.

<http://www.aie.edu.au/articles/mid-year-intake>

Billy Blue College of Design 'Day In The Life' and Open Day

Experience Billy Blue first hand by coming along to one of our exciting events designed to show you what life at a Billy Blue campus is all about. Day in the Life of a Designer – Saturday 8 July 2017 9.30am to 3.30pm. Open Day – Saturday 12 August 2017, 11am to 3pm. <http://www.billyblue.edu.au/news-events/upcoming-events>

Other News

Australia Veterans' Children Assistance Trust

The scholarships are worth between \$3000 and \$5000 per year and may continue for up to four years. To be eligible to apply for AVCAT scholarship you must have Australian residency, be the child or grandchild of a person with operational service (as defined by the legislation) or three or more years continuous full-time other service, as a member of the Australian Navy, Army or Air Force, and be planning to enrol or be enrolled in tertiary education in Australia at an Australian university, TAFE or registered training organisation in 2018. Other criteria apply. Fill in an Expression of Interest now, and a form will be sent to you in July. <http://www.avcat.org.au/scholarships/>

Queensland Collaborative Science Centre Winter Holiday Program

Our winter school holiday program has a new format, with a range of different classes for all ages. From experiments to warm the chilliest days, skills based activities and two MASSIVE STEM challenges that are forensic based, there is something for every junior scientist out there! June 26 to July 8 2017. <http://www.qcsc.com.au/STEM/default.html>

Gap Medics

International Medical Work Experience for School and Undergraduate Students. Students wanting to enter the healthcare field should consider Gap Medics. They offer 1 – 8 weeks' work experience programs in hospitals in destinations such as Tanzania, Thailand, Poland and Croatia.

For more information please visit: <https://www.gapmedics.com/aus/>

3. Bond University Scholarship Applications

Apply for a scholarship online

Bond University scholarship applications are closing on July 31 and the chance of a lifetime is up for grabs.

A copy of the [2018 Scholarship Brochure](#) is available. The brochure highlights all scholarships available for Year 12 students commencing university in 2018. Our scholarships range from 50% - 100% tuition remission, and reward students for their academic, leadership, community and sporting achievements.

As part of their application, students will be required to provide a copy of their year 11 and midyear 12 schools reports, a summary of achievements and the details of their Career Advisor who will be sent a reference form to complete. This year there is also an additional requirement for students to complete our Student Achievement Form. This form can be downloaded via the student's online application in the Scholarship Options section. This new form asks the applicant to provide further details on their academic, leadership, sporting and extracurricular achievements.

Apply for a scholarship online at apply.bond.edu.au prior to the July 31 closing date.

Visit bond.edu.au/scholarships for further information

4. METC Institute

Enter medicine in 2018

The coming weeks are important for year 12 students hoping to enter medicine in 2018.

The Undergraduate Medical Admissions Test (UMAT) is being held Wednesday 26th July 2017.

To prepare Year 12 students for this exam, the METC Institute is holding live UMAT courses on the following dates:

- [Brisbane Saturday 1st & Sunday 2nd July](#)
- [Sydney Saturday 1st & Sunday 2nd July](#)
- [Melbourne Saturday 8th & Sunday 9th July](#)

To find out more about these courses, please visit the [website](#)

The METC Institute is continuing to offer additional personalised science tuition to students wishing to maximise their ATAR in order to enter their preferred higher degree. Specialist tuition is available in Biology, Chemistry, and Physics. More information about these courses is available on the [website](#).

In order to assist Year 12 students, we have compiled the pre-requisite entry information for all Australian undergraduate medical degrees on our [website](#).

5. Elite Dance Institute

Certificate IV Dance

Elite Dance Institute on the Sunshine Coast offers **Certificate IV Dance** Qualification. Presently students have to leave school to complete **Certificate IV Dance** to study full time often requiring relocation to Brisbane or beyond. Our course offers this qualification locally delivering it as a **part time course** of study enabling the students to remain at school, remain at home & the massive plus side is that they will still be able to complete the qualification in **ONE year**.

We are passionate about helping students achieve balance in their lives and encouraging a work SMARTER rather than HARDER approach. This is the beauty of our course as the many hours of studio dance are actually used to contribute to the attainment of this nationally recognised qualification that also awards **8 points towards their QCE**.
We have a mid-year intake for Certificate IV and expanding course offerings with a mid- year intake for Certificate III.

Mid-Year cohorts commence beginning of Term 3 2017 & finish end Term 2 2018.

Students/parents are encouraged to contact us directly to discuss their options & entry/audition options.

ELITE DANCE Institute.
elitedanceinstitute@outlook.com
Ph: 0401930952 or 0418710964

6. The University of Melbourne

Which degree is right for you?

Are you a year 10 or 11 student who can picture yourself at the University of Melbourne but are unsure of which degree is right for you?

If so, we invite you to sign up for **A Day at Melbourne** and find out!

Students will be able to find out more about the Melbourne Curriculum, scholarships, study abroad, Access Melbourne, clubs and societies, accommodation options and much more.

There's even sessions where students can hear about how other people's university 'journey' has allowed them to follow their passions toward their careers.

Click [HERE](#) to download a flier for you to distribute to any interested students.

EVENT DETAILS

Date: Friday 7 July

Time: 9.00am - 3.30pm

Location: The University of Melbourne, Parkville Campus

Contact: rodneyn@unimelb.edu.au

7. Overseas Volunteer Projects Summer

Year 10 and 11 students

Summer 2016/17 may feel like a lifetime away, but there's no better time to start planning ahead for an unforgettable overseas experience. A High School Project is a unique opportunity for students in years 10 and 11 to embark on a volunteering trip in a safe and supportive environment. Spend two weeks volunteering alongside a group of like-minded students from across the globe, while contributing positively to communities in need. A High School Project is ideal for those keen to make new friends, see the world, understand a new culture and even gain insight into a potential career path.

This year's trips run from 10 - 23 December 2017 and 7 - 20 January 2018, in Fiji, Cambodia, Nepal, Sri Lanka, Thailand and Samoa. From Conservation and Medicine to Care and Community work, there's an option to suit everyone. These projects are fully supervised, and consist of a mix of practical volunteer work and cultural activities, so that you can really get to know the local way of life. Sign up individually or with your friends – for an unforgettable summer experience!

9. UQ News

June 2017

Experience Science - registrations closing soon. Experience Science is a free event which provides students in Years 10-12 the opportunity to discover what studying science is like at UQ and how science is applied in industry and everyday life.

The event is facilitated by experts from UQ and the industry through a series of hands-on, interactive science workshops. All workshops are held at the UQ St Lucia campus. There are limited places available on Friday July 7 and Wednesday July 12.

LINK: [Registrations](#) are essential.

UQ Open Days

Join us for UQ's Open Day events at the St Lucia and Gatton campuses.

Figuring out what you love and what you want to do are often the hardest decisions to make. At Open Day you will have the opportunity to speak with current staff and students, take a campus tour and attend information sessions about studying and life at UQ.

This year, our Open Day dates are:

- **St Lucia:** Sunday 6 August, 9.00am-3.00pm
- **Gatton:** Sunday 20 August, 9.00am-3.00pm
- [Pharmacy Centre of Excellence Experience Day:](#) Sunday 20 August, 9.30am-1.00pm

Engineering and Technology Careers Evening 2017

Do your students want an exciting and, fast-paced career, qualifications that will enable them to work around the world, and the skills to solve both local and global challenges?

They can have all this and more with a career in Engineering and Technology!

At UQ's 2017 Engineering and Technology Careers Evening, your students will have the opportunity to:

- Hear from recent Engineering and Information Technology graduates about their experiences in industry
- Talk to academic staff and current students about the study options available at UQ
- Ask practicing engineers and technology innovators about job opportunities available in industry
- Discover why UQ provides students with the best foundation for careers in Engineering and Information Technology

The event will be held on Thursday 17 August from 6.00pm-8.00pm in the GHD Auditorium, Advanced Engineering Building (#49), The University of Queensland, St Lucia campus.

Audition Information for Bachelor of Music (Honours) applications

The School of Music has released its audition information for Year 12 students wanting to enter the Bachelor of Music (Honours) program in 2018. Written applications for entry are due by Monday August 14, with the on-campus audition process occurring Saturday 16 - Saturday 30 September. Auditions are limited to students performing using classical orchestral instruments, classical guitar, piano and classical voice.

Law scholarship for disadvantaged students

The TC Beirne School of Law Leadership, Excellence and Diversity (LEAD) Scholarship offers students \$7000 towards living expenses during their undergraduate law studies, and one-on-one academic support. Eligible students are those who are currently completing senior schooling in Australia at a non-selective government school, have demonstrated significant educational, social and/or financial disadvantage, and are intending on studying a Bachelor of Laws (Honours) at The University of Queensland in 2018. In addition to the scholarship, students can apply for the UQ Special Admissions Scheme (SAS) for undergraduate law programs. The scheme offers eligible students access to support services and considers the level of hardship they may have experienced, as well as their OP/Rank. Applications for the LEAD Scholarship and SAS will open [online](#) from 3 August until 8 September 2017. <https://law.uq.edu.au/lead-scholarship>

School of Economics Scholarships

Applications are now open for two invaluable scholarship opportunities at the UQ School of Economics: the Year 12 Domestic Australian Scholarship and the Year 12 Equity and Diversity Scholarship. The Year 12 Domestic Australian Scholarship is for outstanding Australian domestic students who are completing Year 12 studies. The successful candidate will receive a \$5000 bursary each year for three years. [Applications](#) close 3 Nov 2017.

The Year 12 Equity and Diversity is for students who can demonstrate a very keen interest in economics but who have faced educational disadvantage during high school. The successful candidate will receive a \$5000 bursary each year plus a mentoring scheme. [Applications](#) close 28 Nov 2017.

UQ guarantees accommodation for new students

From Semester 2 2017, UQ will guarantee accommodation for individual international, rural and interstate students commencing their first semester at either the UQ St Lucia or UQ Herston campus. Students can choose their accommodation from a list of approved accommodation providers. Eligible students will receive an accommodation offer within five days of application. To be eligible, students must have accepted their UQ offer or be currently studying at IES Foundation Year or ICTE-UQ on a packaged offer. Applications for Semester 2 close Friday 16 June 2017. Applications for Semester 1 2018 will open in late 2017.
