About Us

We understand that looking for work can be challenging sometimes. Even the most skilled people can miss out on employment opportunities if they lack confidence in the recruitment process.

Knowing how to approach job searching and interviews is a learned skill.

Primed Interviews design and deliver a range of courses to help you gain the knowledge needed to navigate your way through the recruitment process with confidence.

We strongly believe in teaching you how to create your resume and cover letters, rather than preparing them for you. Knowing how to do this effectively is going to help you as you gain more experience and grow your career.

We want you to be successful. We want you to be confident in your ability to build the career of your dreams (even if you aren’t sure what that will be yet!)

11. USC Headstart Program 2017
Get a taste of what uni life is like

Headstart is a great opportunity for Year 11 and 12 students to get a taste of what uni life and study is like. High school students can study with us, on campus and alongside other university students, while still at school. Plus they’ll even gain credit towards a USC degree!

Applications for Semester 1, 2017 open in October, so now is the time to get your students in the know about this great experience. Send them along to the Headstart Information Night and they’ll hear first-hand from a previous Headstart student what they can study, what it’s like being a university student and how they’ll be supported along the way. Teachers and parents are welcome too.

Headstart is now FEE-FREE

Have you heard? The first Headstart course is now fee-free for students! The previous $400 tuition fee is now waived for students completing their first course.
