Twins Grete and Terence Gawthorn started Year 1 at Good Shepherd Lutheran College this week.

Double the fun on first day

The first day of a new school year can be hectic. For the Gawthorn family, everything was in duplicate as non-identical twins Grete and Terence started Year 1 at Good Shepherd Lutheran College. The pair was doubly excited to be starting “big school” and wearing the newly introduced Year 1-3 formal uniform. Terence and Grete were feeling special after getting a “care package” from their “very nice teacher” and enjoyed playing with friends at break.
