Thank God for the Savros

No one was more delighted for the newly arrived twins, Damiano and Eleonora, born to Father Peter and Mother Marnie, who gave them a New Simple Apartment for Christmas last week at the Noosa Lutheran College. They are always so friendly and welcoming, and it was a joy to see them welcoming the twins.

Teddy Bear Picnic

The boys were thrilled to receive their teddy bears, which they had been asking for throughout the year. They were overjoyed to find that they had been given their own teddy bears, and they were very happy to take them home with them.

A fantastic, creative routine around Damiano’s birthday was the highlight of the day. The theme was “Teddy Bears’ Picnic,” and everyone enjoyed dressing up as teddy bears. The routine included a dance to a popular song, “Teddy Bears’ Picnic,” and the children were very active and energetic.

Musicians to perform

The band “The Armadillo” will be performing at the conclusion of the event. The band is known for their lively and entertaining music, and they are always a hit with the audience.
