**UNIT** | **TERM 1 TOPIC** | **ASSESSMENT** | **DUE DATE**
--- | --- | --- | ---
Sustainable Textiles – topics to be covered will allow students to explore where and how our clothing is manufactured. The concept of textiles sustainability will be the focus. Topics will include  
- Why we wear clothes  
- How is the environment effected by textiles production  
- The journey of a t-shirt, from cotton production in America to $5 in Kmart.  
- Ethics associated with textile production  
- Mass production of clothing  
- Textile consumer awareness and consciousness  
**Practical Task:** The students will design, make and appraise an article that has styled from a men’s business shirt. For example an apron, cushion cover or stuffed toy. A process journal (One Note) will be used to record the decision making processes followed. Students will investigate, design, plan, create and evaluate the recycled sustainable textiles item. | Exam – in class essay
