| Wks 1-6 | **Theme 8: People and environments in history**  
In this study students will explore the impact oil and the oil industry has had on global history. Students will develop an historical background to the oil industry, its development and how it has shaped the 20th century and beyond. They will also understand the global and local ramifications of a finite resource and seek to understand the importance of working globally and locally to address the problems that have arisen. | 2. Response to Stimulus Test (written sources given out prior to test; non-written sources unseen; 90 minutes)  
Criteria: C2, C3 | Week 5  
Friday 9th Nov  
Session 1 |
